## news

### SHAWN ELECTRO-RETRO ROCK 'N' ROLL

### WILD WILD WOMAN

**05/10/05** - Released a new Corset Figure for Victoria 3. You can take a look on my [Products Page](#). Hope you guys think it's as lusty as I do!

**08/09/04** - Images "Release" and "Pensive" added to the [Gallery](#).

**07/11/04** - Finally have the time to update my website. Sorry guys, I have been what you would call "slacking-off". Added 8 images, 4 in the [main gallery](#), and 4 in the [archives](#). Did an [album cover](#) for Shawn Harvey's Wild Wild Woman single a few months ago. I hear that he is shooting a video for it, looks to be a great release!

Been working on a few new products, have dot on the "drawing board" at the moment, hope to get them all done soon.

For those of you who asked about the "Fetish Doll" hair, I am getting closer to completing that, so look for it sometime later this month!

Thanks for still coming and visiting my site, even though there has been nothing new these past few months, I appreciate your interest, and hope to continue to keep your attention!

**01/22/04** - Released a new package, the Fetish Doll outfit. You can check out some images I have done in the [Gallery](#), or check out the [Products Page](#) for more information on it. Hope you all enjoy it!

**01/04/04** - Added 2 images, "Heavy # 1 & # 2" to the [Gallery](#). Inspired by a Heavy Rubber magazine cover.

**12/02/03** - Added an image, "Fetish Doll" to the [Gallery](#). Featured in the image are a new pair of boots and a garter/stockings set that I'm working on.

**12/01/03** - Released a new package for 3DCommune's Alexa character called [GothX](#). Also edited my [Products](#) page a little for better presentation.

**11/21/03** - Added an image, "Tighter Curves" to the [Gallery](#). In the image are a new pair of boots, new corset, and restraint props I'm working on. Its a "bugger" to get V3 to fit into the corset though, trying to make it more friendly to use.

**11/11/03** - Added an image, "Tethered & Teased # 1" to the [Gallery](#).

**11/03/03** - Added an image, "Inspire" to the [Gallery](#).

**10/14/03** - Added an image set, "Sinfully Succulent", and a redone version of my "Eye Candy" image. You can view them in my [Gallery](#).

**10/07/03** - Do to some issues, Xianch gave me a .INJect pose for V3 to get her body to easily fit into the Devilicious Corset. You can download it [here](#).

**10/03/03** - Finally have the time to do an update. Do to the delay on the Devilicious package, it is now available as a free download (yes I said FREE \*wink\*) [here](#). Forgive me for the delay on the release. Many other free downloads available as well, check them out! Added a couple more images and reorganized the free section a bit.

**06/21/03** - Did a serious overhaul to the website giving it a totally different look. Going to be releasing "Sets" of images that can be seen in the gallery. Links will be provided where possible to the respective creators of the products that are used in each set, to give them credit, and to lend easy reference on where to pick them up! Hope you all enjoy the new look of the site! Please feel free to email me with any comments/criticism's you may have. Spanks for taking a peek, indulge yourself...
