## Music Music Music

### Rockin' Music

Heres a guy whos been around a while...think Rock 'n' Roll is Deac Love Elvis...fancy something not Rap...

Well whatever you feel its worth checking out this guy.Currently rel With Legendary guitarist Albert Lee (needs no introduction) on top Rockabilly legend Boz Boorer ex Polecat,guitar extrodenaire and rig Morrisey,

John David also produced...well hes worked with Dave Edmunds,5 countless others....

Into country...you'll love it,into blues...yep in there too....Rockably . songs...yep also...in fact im convinced its worth a listen....

even better heres some free videos for you:

[www.shawnharvey.com](http://www.shawnharvey.com)

in fact you can watch thme here and feel free to copy th

## share alike...now thats what a call music
